Dedication

As Freshmen you rescued us from our bewilderment and confusion by your wise direction and pleasant manner.

As Sophomores we sensed your loyalty and faith in us, which gave us greater hope and faith in ourselves.

As Juniors we began to appreciate your ability as a teacher, your wisdom as our Adviser, and your sympathetic understanding as a Counselor.

As Seniors, with a more matured judgment, we realized that your concept of a Class Adviser was not a mere extra-curricular assignment but an opportunity in which you could and did give to The Class of 1955 genuine devotion of time, talent, and effort in a more than personable way for our sole benefit.

For all the foregoing and knowing that it is far from adequate acknowledgment, We, The Class of 1955, respectfully dedicate this volume of The Colonial to

Miss Antonia R. Gucciardi

MISS EMMA M. DRINKWINE

Our Thanks and Best Wishes

On April 22, 1955 Miss Drinkwine retired from her position with the Shrewsbury School Department. In her thirty-two years of service she discharged her many varied and important duties with an efficiency and cheerfulness that has enshrined her in our memories forever. In her time she has added up our percentiles and tracked down our truancies and by her kind advice put us on the right level of conduct and the right road of life. For her many past kindnesses we offer sincere thanks and for her future years of retirement many best wishes.

Your book of memories must be
A special source of pride
Because of all the worthwhile things
Its pages hold inside,
And now may all the chapters
That lie ahead of you
Be just as grand as those before
And just as happy, too.

Foreword

Herein we have tried to recall the record of events in our four-year stay at Beal by facts, figures, and photos. Our further aim was to re-capture the spirit and the feeling of the four years that witnessed the growth of our young lives and the setting of the foundation for our future.

In the light of time it is but a very small portion of our lives, but so important. In the light of knowledge gained, of experience shared, of friendships formed, it can be the turning point of our careers.

Seniors

Class History

The year 1951 was a momentous one for the world and for us. It witnessed the opening of the second half of the amazing twentieth century, the return of Winston Churchill to power, the 100th anniversary of the New York Times, but most of all it was the beginning of our high school career. It was such a pleasant time for us to step into a strange, wonderful kind of world to assume the mantle of "freshmen" and with it some more personal responsibility. While getting our own little world in order by mastering the Latin conjugations, algebraic formulas, English syntax, and the rules of business practice, we kept in touch with the outside world via the TV to note that the New York Yankees were still supreme in the World Series and that college football was going into high gear. In the best of our Colonial tradition we were soon convened in solemn conclave to choose our class leaders. When the rhetoric had ceased and the ballyhoo faded, we were very pleased to be led by President Bob Defino, Vice-president Sandy McGrail, Secretary Lucille Banionis, and Treasurer Sue Stoliker. To represent the class on the Student Council we chose Nancy Culver, Judy Towns, and Bill Cote.

Having conquered the complexities of our study schedule and the maze of rooms and rules, we settled down to the usual course of action for freshmen. We were thrilled to witness our football team finish first in the Blackstone League. We cheered our basketball teams on to victory. We were amazed at the dexterity and the ability of our girl athletes both on the hockey field and the court. We were regaled by the annual Senior Play, and we put on our best manners to entertain our parents at the Freshman Tea, the success of which we owe to Miss Prouty and Mrs. Dawson, our first year advisors. The last half of our first year sped by with amazing rapidity. Mid-year exams, basketball tournaments, Freshman Prize Speaking (with Eleanor Hesselton taking top honors, followed by Sally Remse and Brad Brown), the annual Spring vacation, Memorial Day exercises and the end of the freshman year.

During that summer of 1952 our attention was focused on the headlines because there again occurred the splurge of "Flying saucers" stories. Dwight Eisenhower came home from the NATO and announced his candidacy for the U.S. Presidency. From then on the air was filled with politics as the Republicans and the Democrats met in conventions in Chicago.

As September again marched across the land the jet-powered planes were now easily crossing the Atlantic. To our parents and elders nothing seemed as important as the 52 election campaign battle between "Ike" and "Adlai." But we were concerned with more important matters in our own world and in this we were supported by our sophomoric wisdom and sophistication. We knew our way around Beal now and we showed it in our nonchalant attitude. History didn't faze us. Mathematics was manageable. And English was tolerated. We each set our own little schedule of systematized planning.

To keep up with our parents and elders we, too, had our own elections in that Fall of 1952. Bob Defino was returned as president; Ed Vigliatura became vice-president; Lucille Banionis was retained as secretary; and Frank Bisceglia won the treasurer's post. Judy Towns, Nancy Culver, Barbara Driscoll, and Gail Anish were chosen for Student Council.

There was no doubt that our girl and boy athletes by their excellent play and team work contributed much to the sports achievements of the 1952-53 season. First in football in the Blackstone League. Runner-up in the league basketball competition. Excellent victories in the girls' hockey and basketball divisions competition.

Almost without notice Fall gave way to Winter and we continued to plug away at our studies. Little by little we assimilated the knowledge, developed our faculties, acquired the right attitudes and aptitudes. In this piece-meal, slow-paced process of education we found only monotony and drabness, but now we see that, that was the only way it could be and how very important it was.

In the new year of 1953 the authorities thought that they had the Brink robbery of 1950 solved with the arrest of "Spec" O'Keefe—but didn't! President Truman gave his last State of the Union message. President Eisenhower assumed office in a colorful ceremony. And Winston Churchill came to visit us. But we didn't let these uninteresting (to us) events intrude upon our own lives and plans. By this time Miss Gucciardi and Mr. Mullaney has become our class advisors and with their guidance began to make for the class its own personality and its mark upon the school's history. At this time we sent to the Richard Fipphen Contest our able representatives.

Next we turned our attention to the annual Sopohomore Hop, which we named "Neptune's Kingdom." It was indeed beautiful. The clever and artistic decorations put the ' 'l of the sea upon the dancers. One could easily imagine the spray of the waves and the tang of the air. It was a whale of a success socially and—financially! But more than that it proved how well we could work together as a class for the common good.

Close on the heels of this event came our annual history trip to Boston. The trip certainly lived up to its advanced billing "Around the World in Boston." We gained a world of experience from our visit to the Venetian Palace, Chinatown, the international press room of the Monitor and the stops for hot dogs and pop at the American roadside stands. We actually saw the world and life through rose-colored glasses in the Monitor's Mapparium!

Before we knew it the sophomore year was ending. The Red dictator, Stalin, died. We had mastered our sophomore studies. Then catastrophe and tragedy befell us. The 1953 tornado struck and killed and damaged. School ended abruptly. Each of us personally felt the disaster. Each of us tried and did help in some way. The events of that summer somehow left us more aware of the world outside our own. From it all came a certain measure of spiritual, emotional, and mental growth that was rapid.

We came back to school in September in a searing heat wave of 1953. We were in that favored position of Juniors. Though we were scattered among homerooms 5, 12, and 15 there was still a great class spirit and unity. We lost friends and classmates by removals from town. We gained new friends and mates by the arrival of new families. Some big events take place in the Junior year and we were ready for them. We were destiny's children. We were sure Winston Churchill did not wish to retire until the Class of 1955 was ready to be launched into the brave new world that he had helped to make.

Being old pros at it now, we quickly elected Bob Defino president, Ed Vigliatura vice-president, Lucille Banionis secretary, and Joan Bresnahan treasurer. To speak for us in Student Council matters we chose Nancy Culver, Sally Remse, Judy Towns, Jack Britt and Pete Wood. Immediately we set to the task of getting more money for the class coffers. We did too, by selling shakers and holding food sales. It may have been a beautiful autumn that year but we only had eyes for the excellent performance of our "boys" and "girls" as they helped to put Beal in first place or near first place on the turf, the court, and the Lake. And we only had eyes, too, for the class rings that came along at the end of the year. It was like being "pinned" to a big tradition that is Beal's. Being Juniors we had more opportunity to go after state and national honors. This we did by placing some of our finest in the National Honor Society, the N.F.L., the New England Student Council, and in many other places of honor. As the world turned to receive the new year of 1954, we trained our sights on the big coming attractions of our Junior year. We quickly disposed of the mid-years (with success, of course) to get on to the real business of 1954. The Junior Prize Speaking showed the abundance of talent in our class for oral and dramatic expression. Eleanor Hesselton again took top honors. This year's history trip was to Plymouth. And what a time we had for ourselves. We came home filled with pleasure and a more deep appreciation of the American way of life. But the big deal was to happen on the target date of June 4, 1954. Our Junior Prom! It was really some enchanted evening. And we did really fall for that wonderful guy. Just think of the melody and the meaning of "Stardust" and you have our theme. Debi Rice and Paul Kesseli did a terrific job on the decorations. And to crown off our night of nights Judy Towns was chosen Queen together with a lovely court of lovelies: Joyce Shevchenko, Sandy Shaw, Sally Remse, and Louise Tinsley. For such a wonderful time and year we can only thank Miss Gucciardi and Mr. Jacobs. After that event anything that happened for the remainder of the year was strictly anti-climactic! We just drifted into summer on a cloud (the number doesn't matter).

We returned to Beal in September 1954 to positions of privilege and responsibility. We were told that our senior year would go by fast and with fun. It did. We worked hard. We accomplished much. We can't possibly relate it all here. We got on with our business. Bob Defino was made our fourth term president. He was assisted by Gail Anish as vice-president, Lucille Banionis as secretary, and Barbara Driscoll as treasurer. In the Student Council we had Bob Defino, John Britt, Nancy Culver, Sally Remse, and Judy Towns. Our senior athletes, both boys and girls, covered themselves and the school with glory as they ran, shot, hit and rowed our school to impressive victories in physical contest and sportsmanship. Thanksgiving was soon upon us and with it the Victory Dance which was just out of this world for us in its social success and its meaning for us. Christmas seemed to come awful quick that year. Though we did not have the annual Senior production, our members did take an impressive part in the Yuletide play. And we started to ponder in a serious way what schools we would attend after graduation. In all this Mr. Cooke was very helpful and kind and to him we owe many thanks. More of our members became V I P's as they were inducted into the various scholastic and athletic honor organization.

We gave an extra welcome to the new year of 1955 because it was our year. Almost immediately thereafter we began the yearbook production. Gail Anish and Barb Driscoll were our chief editors and they along with the rest of the staff and committees did a wonderful job of capturing our pleasant memories and bound them into book form for us to remember forever. The class had one of the best records for sales, ads, and extent of coverage in publishing the 1955 COLONIAL. La Porte Studio caught our likenesses in his photographic lens and we were pleased with the results. As elder statesmen we watched the underclassmen perform in the speech contests and give their all in many other school endeavors. The underclassmen looked up to us and we tried not to let them down.

One of the big events was the New York-Washington Trip. It is impossible to tell the grand time we had. We each have our own wonderful but different memories of it, our own wonderful but different impressions and stories. The glorious weather, the swell treatment from the chaperons, the grand experience of it and the new insights into our classmates and friends from the pleasant associations.

It seemed that everything conspired to make our last few months of school forever memorable. Winston Churchill noting that we were properly prepared and ready to take over the world of tomorrow yielded his position as pilot of the ship of destiny and his place as maker of history. Miss Drinkwine must have felt the same too, because she retired after many years of service with confidence in our ability. To both of them many happy years of retirement.

Nature cooperated, too. Never was there a Springtime with a greater abundance of blossoms and fragrance, of bluer skies and perfect days. Everyone was sporting an early tan. The first days of June were devoted to our final exams. Then graduation-preparation week began. Up and down the musical scale we went. In and out the hall we marched. We may have been let out of class early, but the week before graduation went by in frantic haste. There was the class picnic in the real rustic setting and with a real old-fashioned time. Having recovered from that we made ready for the Class Banquet at Wachusett Country Club. The meal, the setting, the grand fun could not be improved upon. Perhaps we were having ourselves an extra merry time for our high school careers were to end.

Finally graduation night arrived. It was a typical early summer night. Nee Hall was filled early. After readying ourselves in the assigned rooms, we heard the processional begin. Mr. Cooke gave the sign. Our marshal led us to the stage. We proceeded with the commencement formalities in the usual manner. Everyone performed well. Listening to the remarks made, sensing the feelings of our parents and friends, the significance of the event began to weigh upon us. It may be commencement to others, but to us it was the ending of a happy and profitable phase of life. Happy memories began to close in upon us. Happiness and gratitude were uppermost in our feelings, gratitude to our parents, advisors, and teachers.

Class Prophecy

Introduction:

In every class the time arrives
When all think of their future lives,
The graduation music starts and sadness enters many hearts.
Memories press on every mind
And these friendships again never to find.
But as you step down the stairs of Beal
Your next steps arise and you will feel
That in moments ahead, your life only commences
And your friendships and gay times will not be past tenses.
For these, your classmates, so dearest to you,
You will meet throughout life and their friendships renew.
You sit and wonder what the future has in store,
Not only for you but for others on this same floor.

Time Passes:

Twenty years have passed and golden years they have been,
You have faced defeat but finally your goals did win.
You have kept close contact with your classmates of '55
And everyone still seems to be alive.
You have bumped into them on the street and many times by surprise.
It's amazing how things turned out and how time flies.

Two lads known as D. HOGLUND and C. HALE
Had a pharmacy that is no more,
For what they thought was H_2O was H_2SO_4.

D. WILLIAMS has played Juliet
On the same stage that B. TINSLEY was a Rockette.
J. HESSELTON sang along to T. SAVASTANO'S playing.
They rocked the rafters . . . kept the audience swaying.

Up Maine way in G. WILCOX's hotel
There's a cook who is real swell.
Perhaps it's FRED NORTON by chance
Who neglects his cooking to watch N. DICICCO dance.

Animal lovers from far do ride
Bringing their doggies to a doctor's side.
R. HOLDEN and R. SANGUINET are at their aid,
For their kindness to dumb animals they are highly paid.

The N. Y. Central pays tribute today
To N. COGGESHALL and JOHN COTE, who built a streamline diesel job.
They were paid, Oh! so highly by a DEFINO named BOB.

One and one are two is the call
By J. TOWNS and G. ANISH in the fall.
Teachers also J. SHEVCHENKO and B. DRISCOLL,
And to Principal D. DESARRO's office . . . the bad ones they haul.

Want a house built ever so sweet?
See J. REVELLI and L. EATON, for buildin's their beat.
They have every convenience that you would want in it
Designed by an engineer who is called J. BRITT.

If your jaw hurts or your molar is sore
Go to Dentist P. WOOD's office . . . Main St. . . . Ist floor
After your exit your brain may feel insane
Go into Dr. D. RICE's office who will try to relieve the pain.

The Nobel Prize is in good hands
For authoress L. BOLIVER . . . the public now demands.
Her story of fame was written by M. MICHAUD
And two of our former classmates we highly applaud.

Stands the Lahey Clinic with F. DiSTEFANO at command
With all these nurses at his right hand.
Now there's B. SARGENT and S. REMSE so energetic
M. SWAN and E. ROSSI giving anesthetic.
We don't see D. KUJANPAA or S. LEACH
As it's their day off . . . they're at the beach.

Number please or your party's on the line
Cry F. BOUCHARD and R. CLAPP when they get the busy sign.
The new dial system makes important messages fly.
Cleverly designed by D. DAME and W. SPRY.

It was but yesterday that we watched the Celtics play
D. BATES and Cousy saved the day.
To coach them on was M. MAGNUSON
The game was exciting and loads of fun.

Do you need a dress for that party next week?
L. BANIONIS and S. McGRAIL will sell you one très chic.
L. TINSLEY will model and S. STOLIKER will do the selling.
The night that you hit the party the boys will start in yelling.

P. KESSELI is executive of a large corporation
His secretary S. SHAW has created quite a sensation.
His others, N. CULVER and M. RIIK, are really quick
That is . . . typing two-hundred words a minute,
Say, that's quite a trick.

In the Wacs to serve their country in every way
Are BARBARA FAIRHURST and YVETTE FISET.
Also serving with the U. S. Air Force in the wild blue up there
Are B. JOHNSON, F. BISCEGLIA, R. CORBETT . . . showing for their country that they care.

The planes of our modern times are what is known as good.
Some were designed by our classmate HAROLD GREENWOOD.
But it takes fine pilots with morale to fly planes like this, I guess,
So H. KEEGAN helps their spirits as a top Airline Hostess.

Shrewsbury town now has a new school
It was designed by no half-witted fools
It was designed by G. SKLUT and R. HOSS . . . we feel
That they certainly built a better Beal.

J. MIDDLETON and W. CHAPDELAINE sing "Anchors Aweigh"
For they are going high in ranks today.
You can't beat our Navy . . . it's a fine deal
And our praises go to them from us all here at Beal.

E. MELANDER is riding a horse in the Mounted Police.
Time marches on and wonders never cease.
V. FLYNN is in a squad car cruising on a Worcester Highway
His Call is loud . . . "Stay out of my way."

Music is everywhere when J. DURLING plays her tune.
So romantic to lovers out for the new moon.
With her R. BIRD gave a concert in Carnegie Hall
And was, for months, in the minds of all.

Off to deepest Africa we find J. Le BLANC
His trip was financed by T. ST. PIERRE's bank.
This expedition was quite a Safari
He bumped into B. BROWN the famed missionary.

The Detroit Lions owned by M. TROTTO
He always seems to be where he oughta.
The star BRUCE LAMOTTE has brought the team fame
And added much prestige to the game.

J. BRESNAHAN is in Florida a water skiing champ
She finds the Everglades exceedingly damp.
K. YEATES now has returned to the South
Her home overlooks the Mississippi's mouth.

Millionaire T. SLYMAN counts his money every morning and noon
In Worcester he is known as the biggest tycoon.
B. REHN and S. SODERBERG are his secretaries fine
He never has to worry for they are always on time.

C. HENDERSON invented the Grow-Tall Pill
Of which seven-footers have had their fill.
R. KEEGAN has opened a hairdressing place
Women go in looking old . . . come out with a young face.

E. CRANDELL and C. HORTON handle posies every day
And from Florist W. MARSTON they draw big pay.

They were the first of our class to wear diamond rings
For B. HOFFMAN and E. HESSELTON it was quite a thing.
They have long settled down to the housewives' tasks,
But if their children want any thing, just let them ask.

W. COTE played the Quiet Man in John Houston's hit.
He played opposite N. BRIGGS . . . that girl has dramatic wit.
Turn on your T. V. set and see a show that's fun.
She's a whip at cracking jokes . . . it's BETSY CREEDON.

Your bones are broken and you need an X-Ray
Go to J. ST. MARTIN and B. KOSKY such technique they will display.
Being technicians they have a "skeletons" point of view
I hope their conclusions won't leave you blue.

R. NORDSTROM has a knack at any mechanical device.
If your car needs over-hauling he's the one to give advice.
E. VIGLIATURA is also a mechanical whiz
And tinkering with broken T. V. sets is his standing bizz.

J. GRAVELINE is noted for women's consultations
Her advice to the lovelorn has earned vast congratulations.

In a city hospital so clean and white
Nurse S. JOHNSON was given quite a fright.
It seems that P. DOYLE, (Oh! he had good intentions)
Will be laid up for six months due to his explosive inventions.

Well, that's our class in 1975
To goals of renown all did arrive.
If fate has a say and luck breaks through
We all may live to be a hundred and two.

The Class Will

By Elizabeth Creedon - Mary Riik - Joyce Shevchenko

WE, the Class of 1955, of the Town of Shrewsbury, the County of Worcester, the Commonwealth of Massachusetts, the nation of the United States and the Planet of Earth, being of sound mind and memory, and considering the uncertainty of this frail and transitory life, do, therefore, make, ordain, publish and declare, this to be our last will and testament.

After the payment of our just debts and charges, we devise and bequeath as follows:

To MR. COOKE we leave in hope that his dream high school will some day soon be a reality and that it will house students who are appreciative of his efforts for them as we shall always be.
To MISS DRINKWINE we leave grateful thanks for many acts of kindness and sincere wishes for a happy life of retirement.
To MISS GUCCIARDI we leave, but keep as one of our fond memories.
To MR. DYER we leave with our respect and admiration.
To MR. JACOBS we leave a set of nine-inch bowls so that he can work out his trig problems exactly.
To MRS. CELLUCCI we leave a Senior homeroom that will have all its members present all the time during Homeroom Period.
To MISS CHURCHILL we leave a "censored" edition of "Word Power Made Easy."
To MR. CONNELLY we leave a sturdy homeroom that will not rock and roll from all the activity overhead.
To MISS DONELAN we leave a storage vault to keep secure all Senior Class money.
To MR. DONOVAN we leave an automatic test-tube cleaner.
To MR. FOUNTAINE we leave the latest in "automatics": automatic student drivers.
To MRS. HAMEL we leave a spelling class that will not have to make up tests.
To MR. HOY we leave a physics class that will study "physics."
To MR. LALLI we leave a Beginners' Class of student drivers who know all the answers.
To MISS LOTHROP we leave the FOND memory of Vincent Paul Flynn.
To MR. MEEHAN we leave a Young Debaters Club who just love to debate.
To MISS PARKS we leave the memory of the Second Year Spanish Class and its endless roll call.
To MISS NELSON we leave a new set of typewriters.
To MR. PHILBIN we leave a willing and available publisher who will underwrite his memoirs of South America.
To MISS PROUTY we leave a Senior class that can read maps intelligently.
To MR. ROCHE we leave a new breed of students: no gum-chewers.
To MISS SAWIN we leave a private theater for the showing of her numerous colored slides.
To MR. BOWKER we leave the blueprints and finances for his own futuristic art room.
To MR. FORD we leave a band that will have all members present at one and the same time.
To MR. TRUNFIO we leave a new and well-tuned piano and a responsive glee club.
To MISS CHASE we leave an un-breakable trunk of unlimited capacity to hold all the "left-overs" after gym classes.
To MISS ADAMS we leave many recruits for her Alma Mater.
To MISS HARRIS we leave best wishes and felicitations on her engagement.
To MR. BERGSTROM we leave good health and no worries.
To MR. KLEMINICH we leave a bottle of pills to be taken at crucial moments of a game.
To MRS. MARSHON we leave a school personnel who won't interrupt her office routine asking her assistance.
To MRS. CARLSON we leave our thanks for her advice and aid in helping us to determine our future.
To MISS SHEA we leave two strips of patent leather to be placed on the insides of her shoes.
To MR. BRESNAHAN we leave a reserve corps of police to help on game night at the school.
To MRS. KEEGAN and HER ASSISTANTS we leave a faculty whose menus will be the same every day.
To The SCHOOL COMMITTEE we leave a Ouija board to help them solve the up-coming school-housing problems.
To The CLASS of 1956, THE JUNIORS we leave our place of seniority and our unfinished plans and projects.
To The CLASS OF 1957, THE SOPHOMORES we leave a world of wisdom yet to be garnered.
To The CLASS OF 1958, THE FRESHMEN we leave with the kind advice that a high school education is worthwhile and worth striving for. We seniors know now!

* * * * * * *

GAIL ANISH leaves one worn-out mop, the one with which she mopped her brow after the endless hard work she did for the class.
LUCILLE BANIONIS leaves her versatility and love of fun to her sister BARBARA.
DICKIE BATES leaves his winning ways to JOHN CLARK.
ROBERT BIRD leaves his gorgeous car to JIMMIE D'ERRICO.
FRANK BISCEGLIA leaves his jovial nature to DAVID HARRINGTON.
LILLIAN BOLIVER leaves her fine scholastic record to PAUL DEBS.
FRANCES BOUCHARD leaves her happy-go-lucky antics to IMOGENE COCA.
JOAN BRESNAHAN leaves her athletic ability to NANCY PRIDE.
NANCY BRIGGS leaves a stick of gum to JACQUIE CASEY.
JOHN BRITT leaves his gentlemanly manner to BILLY ASSAF.
BRAD BROWN leaves his body-building set to DONALD VAUGHN.

WINONA CHAPDELAINE leaves her argumentative topics to be settled in Congress.
RITA CLAPP leaves her task of collecting attendance slips to ARNOLD AMADON.
NORMAN COGGESHALL leaves his job at Reynold's to VICTOR PEDONE.
ROBERT CORBETT leaves school with a sigh.
JOHN COTE leaves his place on the first crew to RAY EKSTROM.

Class Song

The years we spent at Shrewsbury High
Will always touch our hearts.
The things we did together make
Us never want to part.
Our Alma Mater glorious
So noble in all ways.
Sends forth thy brilliant blue and gold
As in our hearts she waves.

Chorus:
Farewell to thee, thy Alma Mater
May you always lead.
Oh, hail thy sparkling sons and daughters
Hail, all hail Shrewsbury.

The years we spent at Shrewsbury High
Throughout her famous halls.
Inspire us to think of days
Within her ivy walls.
Against the arch of golden skies
Her colors were unfurled.
Inspiring us to smile as we
Set forth unto this world.

National Honor Society

The National Honor Society was established by the National Association of Secondary School Principals for the purpose of recognizing students who are outstanding in the qualities of character, scholarship, leadership, and service. At the close of the school year, in May, seven per cent of the Junior Class is elected to the Society by the faculty and faculty council. In February of the senior year, eleven per cent of the remainder of the class is chosen. Each candidate must be in the upper third of his class. After their election, a public installation is held for the new members. At each installation a well-known and successful person delivers a timely address. Membership in this fine organization is one of the highest honors that may be conferred upon a student.

The aims of the Society are to recognize the qualities of character, scholarship, leadership, and service; to serve others at all times; to promote mutual friendship; to uplift the entire school by the practice of high ideals; and to prepare its members for a more effective citizenship. In pursuance of the policy of service, the members of the Society decorate the War Memorial on the Common; give contributions to CARE, Junior Red Cross, and other worthwhile organizations. Other activities this year have included the annual auction, and an educational movie program shown homeroom period.

The members realize that they must progress much further before they fulfill the high ideals of character, scholarship, leadership, and service. We are proud to have the National Honor Society in Shrewsbury High School.

Student Council

The Student Council is composed of eighteen members, who are elected each year by their respective classes. There are three Freshmen, four Sophomores, five Juniors, and five Seniors in addition to the Senior class president.

The purposes of the Student Council are to enable its members to gain experience in the practice of democracy, to give students an opportunity to participate in finding solutions to school problems, and to promote a better understanding between the students and the faculty.

The Student Council maintains a suggestion box and has under its guidance the Junior Red Cross Club, the Traffic Squad, and the Cheerleading Squad. It also supervises the class and Student Government Day elections.

The Council sends delegates and representatives to the State and Regional Conventions. This year the Council was very proud to have Nancy Culver as treasurer of the Central Division of Student Councils. Last June she and Judith Towns were Delegates to the National Convention in St. Paul, Minnesota.

The Council is under the capable direction and guidance of Miss Ethel Sawin, Faculty Sponsor, and Mr. James Cooke, Principal.

National Forensic League

The National Forensic League is an organization open to all students interested in debating, extemporaneous speaking, original oratory, dramatic, humorous, or oratorical interpretations. The purpose of the club is to create ease and ability in public speaking. The experience gained through N. F. L. activities helps in many ways in adult life. To become a member, one must earn twenty speaking credits. A member may earn the degrees of honor, excellence, and distinction.

Some of the tournaments that the members attend are the Massachusetts State Speech Tournament, the New England District Tournament, the Boston University and Dartmouth Tournaments, and various other contests all over New England. The N. F. L. also sponsors the annual Richard Fipphen Contest and presents varied programs for organizations in the town.

Each year the members work hard to win the right to attend the National N. F. L. Tournament. This goal is well within reach with the excellent guidance of Miss Dorothy M. Churchill, sponsor of the club, and Mr. Paul Lavelle, who coaches constitutional orations and in many other ways aids the members.

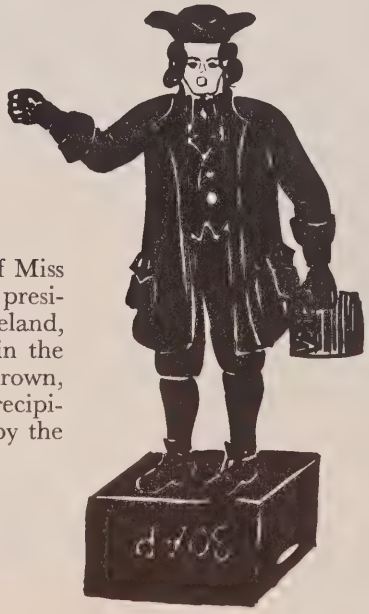
Young Debaters



This year the Young Debaters' Club was reorganized under the direction of Miss Churchill and Mr. Meehan, sponsor. Club officers consisted of Jerry Dorfman, president; Mark Fohlin, vice-president; Mary Jane Wignot, secretary; and Susan Ireland, treasurer. The four members who acquired sufficient points for membership in the National Forensic League were Jerry Dorfman, Mary Jane Wignot, Stephen Brown, and Nancy Walsh. Two of these, Jerry Dorfman and Mary Jane Wignot, were recipients of the National Forensic League Degree of Honor. The success enjoyed by the club this year gives high hope for future achievement in debating.

Traffic Squad

In 1931, the crowded conditions of the school deemed it necessary to have some sort of organization to direct the traffic and keep it orderly. This was the beginning of the traffic squad. It has grown from a few members stationed at points of congestion to well over thirty-five members stationed at every point of intersection of two floors of traffic.

New members are chosen from the Sophomore and Junior classes at the end of the year to fill the position vacated by the graduating Seniors. They are elected by the National Honor Society upon recommendation by a member of the Traffic Squad and the applicant's home room teacher.

This year a new system was inaugurated. Instead of each member staying at the same post all year, the positions were rotated at the end of each bimonthly period. This provides for efficiency and relief from monotony. We could not mention the Traffic Squad without thanking our advisers Mr. Cooke and Mr. Jacobs for their assistance and cooperation.

Lambda Tau Sigma of the Tri High

Another year to be recorded in the history of Lambda Tau Sigma and such a successful year! Once again we became affiliated with the Y.M.C.A. as a Tri-Hi-Y club. Together with the unceasing work of our advisor, Mrs. Gerald Shelby, and our slate of officers, the club has had a successful and memorable year.

The club is composed of a total of twenty-three girls; three sophomores, eight juniors, and twelve seniors. The new members, who are selected in the June previous to their installation, must be in the upper two-thirds of the class.

The purpose of the Lambda Tau Sigma of Tri-Hi-Y is to encourage a life in unity with others. Its members constantly strive to establish courage, honesty, service, and truth as standards.

We started our year's activities by inviting all the girls of the high school to a Penny Sale that they might become better acquainted with our organization. Then our efforts were devoted to preparing for "Silver Bells," our annual Christmas Ball which was held at the Grange Hall.

Lambda Tau has had a busy as well as successful year. The members not only gained a satisfaction by helping others, but also had many fun-filled experiences.

As the seniors bid their sad good-byes, they wish success to the organization, and hope that the new members will enjoy *Lambda Tau Sigma* as much as they have.

The Junior Red Cross Club

The Junior Red Cross Club was established in this school eight years ago. This year the Club has a tremendous membership of one hundred and four students who are all striving to fulfill the three aims of the organization: to promote better relations between the peoples of the United States and foreign countries, to help disaster stricken areas, and to make the physically handicapped more cheerful.

With the attractively arranged display case and the efforts of the members the annual re-enrollment drive was successful.

During the year the Club has had several projects. One was the making of soft toys for foreign countries. Another was the making of albums telling of the life in Shrewsbury. Also a food basket was sent to a needy family. Gift boxes were filled and sent to children throughout the world. Another project affiliated with the Club was the organization of a First Aid Course by Therese Courville and it was directed by Miss Adams.

The Project Committee consisted of Barbara Sargent, Joyce Smith, Suzanne Dean, and Lois Henderson.

Nancy Flynn served on the Executive Board of the Inter-High School Junior Red Cross Council as secretary with Nancy Culver and Donald Thompson as delegates to the Council from Shrewsbury.

French Club

The French Club was established here nine years ago. Under the capable guidance of Miss Gucciardi the club has endeavored to develop understanding of the French life, literature, and arts.

Approximately four meetings are held each year to plan and execute club projects and activities. During the year many educational slides and movies concerning the French are shown, so that students may attain their aim. In addition, stress is often placed upon the benefits of correspondence with French students throughout the world.

The French Club, composed of students studying French, sends as many packages as possible to Eugene Bocher in Brittany, France. Packages usually include food-stuffs, clothing, and miscellaneous articles. Eugene was adopted by the club soon after the war, and there has been continual correspondence with him and his family since then.

This year has been very profitable, both in knowledge gained and the enjoyment received.

Town Crier

1955 marks the eighth year that the "Town Crier" has been published by the students of Beal under the supervision of the faculty advisors, Miss Shea, Mrs. Hamel, and Miss Lothrop.

When each issue appears—five times a year—the students delve into the latest gossip, sports stories, fashions, special features, and fiction.

The paper was established for the purpose of providing an outlet for the various literary or artistic talents of the student body. The "Town Crier" will print the work of poets, authors, or artists, providing that space can be found.

The reward for all the hard work that is put into the publishing of the school paper is the realization that it has become a tradition at Beal.

Much of the success of the paper is due to the cooperative efforts of the Commercial Department and the faculty advisors.

It is hoped that the future staff will enjoy editing the "Town Crier" as much as the staff of 1955.

Band

During the past year, 1954-1955, the Shrewsbury band, under the direction of Mr. Ford, has participated in many activities. Four football games saw our band, with flying colors, march and play with great authority. We then had the honor of playing at the dedication of the North Shore School on November 14, 1954.

With the fragrance of the Yuletide in the air, the band presented a Christmas Assembly for Beal High. The Glee Club also joined in this festive occasion. This was followed by a performance Sport Night, February 28, 1955, sponsored by the P.T.S.A.

The Spring Musicale, April 14, the wonderful trip to Middlebury, Connecticut, May 13-14, the Central Massachusetts Music Festival in Uxbridge, May 21, and the Memorial Day parade concluded an interesting and beneficial year for our band.

Through the halls of Beal High any Monday or Wednesday home room period, the strains of many familiar melodies echo from the assembly hall. This is the Glee Club rehearsing under the direction of Miss Winifred Harris.

During the year, the group sings for many special programs and events. The first performance of the year was the Second Annual Chistmas hymn sing held on the common. The next appearance was the spring concert held on April 14. Then on May 23, the Glee Club traveled to Uxbridge to take part in the Central Massachusetts Festival. The highlight of the year was an over-night trip to Middlebury, Conn. at which time the Glee Club and band presented a concert. This proved to be a very interesting as well as a worth-while event.

The Glee Club has become a vital part of many a student's program this year and has truly been successful in all its undertakings.

Dramatic Club

The Dramatic Club has had a very successful year under the guidance of Miss Lothrop and Mrs. Cellucci.

Students seeking membership must be either Sophomores or Juniors. They must be interested in dramatics and prove themselves worthy of memberhip during the try-outs which are held at the beginning of the year.

The purpose of the club is to help its members gain self-confidence and experience when speaking before an audience.

The first big project undertaken by the club this year was the production of the Christmas play, "A Christmas Strike."

Also, the club members witnessed a film on "Theater: Ritual to Broadway."

All in all, the Dramatic Cub has had a very prosperous and enjoyable year, and it is hoped that the Dramatic Club will continue to grow and bring entertainment to its members.

Stamp Club

The Stamp Club, guided by Miss Prouty, has been very successful this year. Last year there were about eight members, there are now fourteen members who all take an active part in the club. We hope that the membership increases in the future.

The club has been quite busy throughout the year. We have had two very successful stamp sales during lunch periods in school and we plan on having more. We have also been corresponding with different schools to exchange programs. March seventeenth we visited the Classical High Stamp Club in Worcester and participated in the program. We made new friends and obtained new ideas for our club.

For the very first time since the Stamp Club has been organized, the club will participate in the Science Fair. There will be a special ribbon awarded for the best philatelic exhibit relating to science. The club itself will have a judge to award first and second prizes for the best display of stamps.

The Stamp Club is planning to have speakers, auctions, sales, and visitors from other schools in the future.

We have had a very active Planning Committee, Katheryn Hastedt and Patricia St. Onge who arranged programs for every meeting.

Girls' Hockey

The girls' hockey squad, led by its competent Co-captains, Barbara Sargent and Mary Riik, enjoyed a very fine season of one win, two losses, and six ties. This feat can be accredited a great deal to the outstanding play of the forward line. Right inner Florence Le Cour scored three goals, followed by Mary Riik and Nancy Pride who had one each. In addition, the halfbacks, Dawn Tuttle, Joyce Merrill, and Connie Endicott, did an excellent job in backing up the forward line. Credit must also be given to the speedy wings, MaryAnn Michaud, Sue Stoliker, and Marjorie Otterson, and to the fullbacks Sally Remse and Gail Anish, and the other inner along with Florence Le Cour, Beth Essip; and, of course, our confident goalie, Barbara Sargent. Yet, even with the fine team work, the success of the team can mostly be attributed to the excellent coaching of Miss Chase.

Next year's squad should be very successful with their new co-captains Joyce Merrill and Marjorie Otterson. Good luck kids!

Second Row: Janice Graveline, Barbara Sargent, Patricia Larson, Sally Remse, Gail Anish.

Girls' Basketball

The girls' basketball team encountered some hard luck this season but still managed to come up with a respectable slate of four wins and nine losses. Under the capable leadership of Co-captains Joan Bresnahan and Frannie Bouchard, the team displayed outstanding ability and good sportsmanship in every play of each game. With the untiring efforts and expert coaching of Miss Chase, not once did the squad give up hope.

The gallant efforts of managers Judy Donaldson, Judy Towns, and Diana Williams to keep score, and assist in many other ways were greatly appreciated by the squad.

Members of the squad graduating this year include our six guards Lucille Banionis, Gail Anish, Barbara Driscoll, Janice Graveline, Sallie Johnson, and Mary Ann Michaud. The five senior forwards are Joan Bresnahan, Marilynn Magnuson, Frannie Bouchard, Carole Henderson, and Sally Remse.

The outlook for the future teams is very promising, since the Junior Varsity team posted a very impressive record of ten wins and four losses. The new Co-captains are Pat Larson and Nancy Flynn to whom we wish the best of luck for a very successful season.

BARTLETT—6 SHREWSBURY—7

The Shrewsbury High football team opened the season by defeating Bartlett High of Webster 7-6. The playing conditions were poor which accounted for the low score. Bruce Lamotte scored the lone TD on the first play from scrimmage.

ST. JOHNS (Concord, N. H.)—0 SHREWSBURY—12

The Shrewsbury Colonials participated in the Lowell Jamboree and defeated a good St. John's eleven 12-0. The game was highlighted by some fine line plays and a long pass from Bob Defino to end Tommy St. Pierre.

AUBURN—0 SHREWSBURY—32

Shrewsbury went to Auburn for its first official game. With the help of good play from both the line and backfield the team went on to a fairly easy victory over local rival, Auburn High. For the first time in twelve years the Shrewsbury eleven was piloted by a coach other than Coach Bergstrom, who was stricken with severe illness.

MILLBURY—0 SHREWSBURY—42

Our first home game was with Millbury High. The team played sparkling ball. The line was bolstered by the fine paying of Ted Savastano, Brad Brown, Glen Sklut, and Barry Johnson, while Bob Defino ran wild scoring 5 TD's. The game ended with a 42-0 victory. Coach John Bohdiewicz took over after Coach Bergstrom's sudden illness. He was ably assisted by Mr. William Donovan and Mr. Thomas Fazio.

SOUTH HIGH (Worcester)—6 SHREWSBURY—35

Our second home game of the season was with South High of Worcester. The Colonials proved to be the stronger eleven and displayed a much superior line and backfield. Bob Defino played fine ball until he was injured. His injury was severe and he was lost to the team for the remainder of the season.

FITCHBURG—13 SHREWSBURY—7

Shrewsbury resumed playing with Fitchburg after many years. Both teams were evenly matched but lack of reserves resulted in a Shrewsbury defeat.

NORTH—19 SHREWSBURY—12

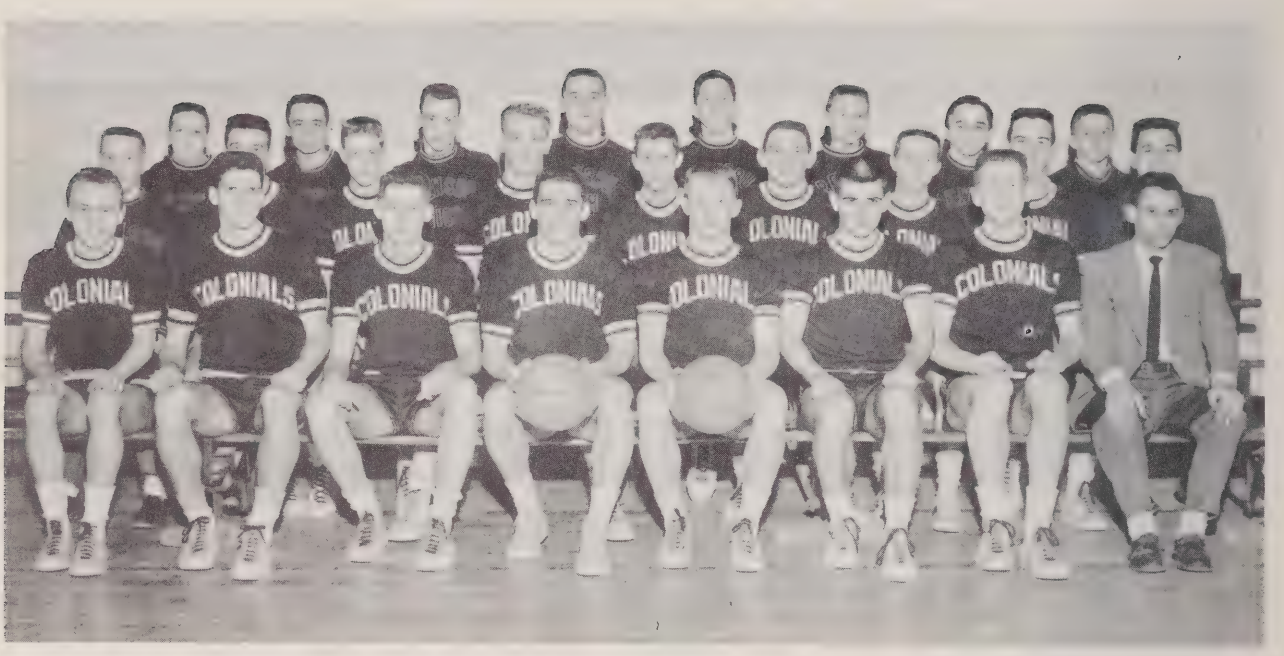
After the game with Fitchburg the Shrewsbury High eleven ventured to the Worcester Athletic Field to avenge the defeat suffered in 1954 at the hands of North. The game was in favor of Shrewsbury before the half, but in the second half Bruce Lamotte was injured. Co-Captain Paul Kessli and Tommy St. Pierre played inspired football but finally the Colonials were overpowered and suffered their second loss of the season.

HUDSON—20 SHREWSBURY—18

The Colonials played Hudson under the lights on a very cold night. The fine passing of Dickie Bates and the running of the backs was not enough to conquer the Hudson eleven.

GARDNER—26 SHREWSBURY—12

The Thanksgiving Day game was played in slush and snow. This Gardner team was considered one of, if not the, leading team in the County. Shrewsbury was not stymied by the Gardner team. At the end of three quarters Shrewsbury led 12-7. Finally in the last quarter the size and strength of the Gardner club blossomed forth and clicked off three quick TD's. It was not only the last game of the season but also the final game for Bob Defino, Bruce Lamotte, Paul Kessli, Dick Bates, Tom St. Pierre, Barry Johnson, Brad Brown, Ted Savastano and Glen Sklut.



First Row: Ronald Mitchell, Robert De Coteau, Thomas Cronin, Robert Defino, Co-Captain, Richard Bates, Co-Captain, Richard Collamore, Ronald Johnson, Coach Michael Kleminick.

Basketball

The Shrewsbury High Basketball team had a very successful season by running off with the Blackstone Valley League Championship. Led by co-captains Bob Defino and Dick Bates the team had a league record of 12 wins and 2 losses with an overall record of 15 wins and 4 setbacks. This is the first time that the Beal cagers have won the League Championship since 1946.

The Colonials started out with a victory over a smooth functioning Mission High five by a score of 58 to 46. The second game of the record was a heartbreaking setback in a hot overtime battle to a strong North High team. Shrewsbury then went on with wins over South High and the Alumni.

Shrewsbury started off smoothly in its regular league contests. It chalked up three decisive victories in as many starts over Auburn, Westboro, and Northbridge. It then ran into a formidable foe, Wachusett Regional and lost a close game 43 to 39. The team started rolling again and came up with seven start wins. The Colonials got revenge for a previous setback by Wachusett, winning the second encounter 66-60. Shrewsbury then lost to Millbury in a surprise upset only to end up its regular season with wins over Uxbridge and Grafton.

Because of the Colonial's fine record, they were selected to play in the Western Massachusetts Elimination Tournament in Fitchburg. Because lots of hard luck, the Colonials were beaten by St. Peter's of Worcester in their first game.

Next year's team will be bolstered by Captain Bob Decoteau, Tom Cronin, Dick Collamore, Ron Johnson, Paul St. Pierre, Jim Abdella, and Jack Burns.

Left to right: James Revelli, William Cote, Barry Johnson, Ted Savastano, Ronald Johnson, William Wood, Peter Perreault, John Cote, Paul Doyle

Crew

This year the Shrewsbury crew has had one of its latest starts. In spite of this, Coach Ken Burns is expecting a successful season, based on the fact that six of last year's veterans are returning. This year's schedule is one of the toughest on record

April 28	Brown University	Home
April 30	Kent School	Away
May 4 or 5	Harvard	Away
May 7	Brown and Nichols plus Springfield High	Home
May 11	Navy	Away
May 14	Washington and Lee	Away
May 21	Tabor	Away
May 28	New England Championships	Home

From past experiences we know that the Shrewsbury crew will hold their own.

Front row, left to right: Thomas Cronin, Robert Defino, Thomas St. Pierre, Edward Vigliatura, Frank DiStefano, Richard Bates, Ronald Whittle, William Donovan, Coach.

Boys' Baseball

This year's baseball team under the supervision of Mr. William Donovan is looking forward to its best year of baseball. The team is featuring a more powerful batting performance and pitching staff.

The Colonials have added two more strong teams in St. John's of Worcester and Worcester Boys' Trade to this season's schedule. Despite the rough schedule, Mr. Donovan and the team are expecting to gain another Blackstone Valley League trophy. Best of Luck, boys.

Mary, Mary, wise and wary
Bought her milk from Hillcrest Dairy
Found it flavor-rich and pure
And years later said, "I'm sure
All my boys and girls are strong
'Cause every day, their whole life long
Hillcrest Milk was in their diet!
Believe you me—you ought to try it."

Be wise like Mary
